Bridgerton

As a black man who has been a film maker for almost 40 years; i feel I have license to speak on the state of TV, so fuck you.
Bridgerton, the TV series, and it's subsequent line of spinoffs are the most historically, politically, culturally, offensive piece of historical re-writing, to make white

folks and their kin, forget the way all white societies, from the America's, throughout Europe, and the rest of the fucking planet, the way they have always treated people of color. This slop of lame television attempts to show black people parading around Europe and America like legitimate recognized royalty. Are you fucking white folks so ashamed at how you have treated us for 4000 years, that you would rather provide our youth, our viewers, our tribe, with this COMPLETELY FALSE HISTORICAL NARRATIVE, and re-write history ? Shame on you you fuckers - SHAME
